

A microscopic view of biological structures, possibly cells or molecules, rendered in shades of blue and green. The structures are complex and interconnected, with some appearing as spheres and others as elongated, rod-like shapes. The background is dark, making the glowing structures stand out.

## Performance at its best: celebrating your success in Bioanalysis

DINNER AND DISCUSSION

Hilton Los Angeles/Universal City  
555 Universal Hollywood Drive,  
Universal City  
Hiro Room, located lobby level

Ensuring our customers success in Bioanalysis has been our priority at AB SCIEX. To celebrate your success and also develop a better understanding of your present and future Bioanalytical challenges, I would like to invite you to a special dinner and roundtable discussion. As a guest at the event, you will have the opportunity to meet your peers and our company's scientific and business leaders for what promises to be an informative and insightful dinner and discussion. You can find the information about the dinner event below, and I sure look forward to seeing you at the event.

A handwritten signature in black ink, appearing to read 'Joe Fox'.

Joe Fox

*Sr. Director, Pharma Business Unit, AB SCIEX*
